

Rationale

Island Catholic Schools and the Diocese of Victoria are committed to the prevention of child abuse and neglect and the enhancement of the well-being and safety of the students entrusted to their care. Everyone shares the responsibility for keeping children and youth safe. The primary responsibility rests with parents. When parents are unwilling or unable to care for a child or youth – or to protect the child or youth from harm – the Ministry of Children and Family Development is legally authorized to intervene.

Employees, clergy, volunteers and contractors are expected to be aware of, and alert to, signs and symptoms of possible child abuse or neglect – and to respond appropriately if they have concerns about a child or youth’s safety or well-being. (B.C. Handbook for Action on Child Abuse and Neglect)

Policy

Congruent with the *Child, Family and Community Service Act (section 13)* and the *Diocese of Victoria Responsible Ministry and Safe Environment Policy* all Island Catholic Schools and Diocesan employees, clergy, volunteers and contractors who have a reason to believe that a child or youth needs protection from abuse or neglect must report the matter to a child welfare worker with the Ministry of Child and Family Development or to a Delegated Aboriginal Child and Family Services Agency. If a child is in immediate danger, Island Catholic Schools and Diocesan employees, clergy, volunteers and contractors must call 911 or the local police.

All schools must comply with the Diocesan Responsible Ministry and Safe Environment Policy.

If the concern is about an Island Catholic Schools or Diocesan employee, clergy, volunteer, or contractor, one must also contact the Coordinator Diocesan Responsible Ministry and Safe Environment office.

Any Island Catholic Schools and Diocesan employee, clergy, volunteer and contractor suspected of child abuse or neglect will be suspended from their duties in accordance with the Diocesan Responsible Ministry and Safe Environment Policy. Anyone found guilty of abuse will be permanently removed from their position.

If a report of abuse is about an Island Catholic Schools teacher or administrator, the Principal or Superintendent must also file a written and signed report about the allegation against the teacher or administrator to the B.C. Teacher Regulation Branch.
